About PeerJ

Thank you for joining PeerJ. When you are ready, you can submit your articles or preprints at <https://PeerJ.com>

PeerJ Inc. is an online, open access publisher of scholarly content. PeerJ Inc. publishes PeerJ (a peer reviewed journal indexed in places such as PubMed, Scopus, PubMed Central), PeerJ Computer Science, and PeerJ Preprints (a preprint server). PeerJ offers low cost publishing to individuals, as well as Institutional Arrangements (whereby universities and libraries can centrally provide PeerJ publishing to their faculty). If you would like more information about our Institutional Arrangements then please visit <https://peerj.com/pricing/institutions/>
